

About Me

I am a licensed professional teacher and a passer of the Civil Service Examination (Professional Level), equipped with strong critical thinking skills and a passion for continuous learning. With a solid foundation in education and public service, I bring a detail-oriented and analytical approach to problem-solving. I am also proficient in image editing and Canva, allowing me to create visually compelling and professional content for both educational and creative purposes. My diverse skill set enables me to contribute effectively in both academic and administrative environments.
